**Remember These Rules**

**KEEP YOUR EQUIPMENT LEGAL**

- **License/Permit** — All vehicles must have a license or ORV permit tag. Tags are required on all vehicles that are not street legal.
- **Spark Arrester** — U.S. Forest Service approved spark arrester, and an effective and operating muffler (less than 105 decibels at 20 inches).
- **Helmet** — DOT-approved helmets are required. For extra safety, consider wearing a full-face helmet and other protective gear.
- **Wheel Base** — Only ATVs with wheel base less than 53” are allowed on DNR ATV trails.
- **Oil** — Pack out petroleum products, and keep them contained.

**FOLLOW A TRAIL**

- Stay on designated trails. If a trail is not posted with DNR signs, and does not appear on DNR maps, it is not approved for public use.
- **Discover Pass** required on all street legal vehicles, including street legal motorcycles and 4x4s.
- Do not build, expand, or widen trails.
- Day use only. No dispersed camping allowed
- Pack out garbage and litter.
- Drug and alcohol laws apply to all motorized use.

**Get Involved**

**Volunteer Opportunities**

Volunteers have been an integral part of reopening Reiter Foothills Forest and will continue to play a major role in its ongoing development. Volunteer hours do not just help with on-the-ground production but also help acquire additional funds to continue developing new and better trails. DNR has volunteer work parties, field visits, trainings, and trail development meetings scheduled intermittently. If you would like to help in any of these efforts, please call (360) 854-8451 or email benjamin.hale@dnr.wa.gov.

**Focus Group Meetings**

The Reiter Foothills Focus Group meetings are open for all to attend. These meetings are a great way to hear firsthand about the progress at Reiter and for you to provide input on recreation planning.

Reiter Foothills Focus Group meetings are from 7 PM to 9 PM every fourth Wednesday of the month. Meetings are held in the East Public Meeting Room in the Snohomish County Building at 3000 Rockefeller Avenue in Everett.

**Trail Type Overview**

**Green (G) Level Trails**
Large obstacles designed for lightly modified or stock 4x4 vehicles locked in 4WD. Includes 24" high obstacles generally requiring 2" lift kit and/or larger size tires. Vehicles shall have lockers on front and rear axles.

**Purple (P) Level Trails**
Special use trail, primarily used for outside track width of 66" minimum. Minimum turn radius should be 120", wheelbase of 80" - 100", narrow "jeep type" vehicles. This is the only trail with size limits.

**Yellow (Y) Level Trails**
Trails for moderately modified vehicles. Designed for large obstacles and turns to challenge 4x4 vehicles locked in 4WD. Includes 24" high obstacles generally requiring more than 2" lift kit and larger size tires. Vehicles shall have lockers on front and rear axles.

---

**NOTES**
1. Some trails in this area are still under construction. Please stay out of work zones and stockpile areas.
2. Obey posted signs. Park as directed. Stay on open trails only.
3. There could be active timber harvests. Watch for and stay clear of logging trucks and equipment on the roads.
4. No ATV or Single-Track use on 4x4 Trails.
5. Planned and Future Trails have not been field verified. Subject to revision.
