

Timber Tamers 4 Wheel Drive Club Western Washington

Join Us:

Joining a Club

Remember, you only get out of the club what you put into it. If you don't get out, lead runs, participate in the meetings, join in and help out at other functions and cleanups, you may not get a whole lot out of the club. On the other hand, if you do get involved, there are lots of great people to be met, and lots of fun to be had?

Our Club Meetings

The club has monthly meetings held on the Thursday after the 3rd Wednesday of the month, 7:00PM. Everyone is welcome to attend and say Hi. We try to meet in the same location each month and currently are trying a few new places. For information about where we are meeting this month, please check the calendar on the website, or Timber Tamers Facebook page, for current location, date and time.

Membership

The Timber Tamers is an open club and anyone can join by:

1. Coming to a club meeting
2. Declare your intention for candidacy and fill out a membership application
3. Attend 3 meetings
4. Go on 3 club runs
5. Get voted in at the next meeting you attend
6. Once voted in, pay club dues, \$25.00 annually
7. Pay dues to the Pacific Northwest Four Wheel Drive Association, Currently \$40.00 annually (Jan-Dec, pro-rated)
8. Enjoy, meet new people and get involved.

Trail Etiquette—Be Prepared

- First and foremost, Don't go out alone!!!
- Make Sure you have food, drink and clothing for the weather conditions.
- Use common sense.
- Maintenance is important! Please, make sure your vehicle is trail worthy. It is not good to break because of something that obviously should have been taken care of before you come to the run.
- Understand, that Body Damage is always possible when off road.
- Make sure you have tow point front and rear and know where they are.
- Be on time and ready to go when you meet the group.
- ALWAYS Stay on designated trails
- It is extremely important when you come to an intersection, to wait for the rig behind you, so they know which way to go.
- If another wheeler is stopped on the trail, stop and ask if they need Assistance.
- Leave Space in front and behind you for the possibility of slipping or momentum.
- If you have trouble or get stuck, let the Trail Leader know.
- If you must leave the run early, let the Trail Leader know.
- Be present and participate in the Drivers Meeting.
- If you have any Questions, Don't hesitate to ask Before you get on the trail.
- We will NEVER leave anyone on the mountain! It could take a while for help to get there, but it WILL COME!
- Bring your Patience with you!
- HAVE FUN and ENJOY the RUN!

4 X 4 List

**If you find yourself alone and
In need of assistance:**

- Don't Panic, Stay Calm and use Common sense.
- Call or Text another TT Member on the Contact List. If they can't help, they will help to find someone who can. (Some members LIVE for this opportunity)!
- Put a note on the Timber Tamers FB page, or Club Onelist, saying where you are, what you need, and a CONTACT NUMBER!
- If the ORV Park has a website or FB Page, you can also post a message there, that you need assistance.
- If you post on Social Media, update as you can, so others know if help has or has not been sent.
- Often on trails, there is no cell service. Try to get to a place where you can get service.
- Try using your Radio, to get a hold of someone else on the trail in your area.
- Using a map or GPS, pin point where you are, so you can easily tell someone how to find you.

**Timber Tamers 4 Wheel Drive Club
Western Washington**

Who We Are:

The Timber Tamers are a large general 4wd club based out of Western Washington. We were organized in April of 1979, and are based out of the Lynnwood, Washington area. Our membership is diverse, from young to old, men and women, driving many different types of 4wd vehicles.

We are affiliated with the [Pacific Northwest 4 Wheel Drive Association](http://www.pnw4wda.org) and promote [TREAD Lightly!](http://www.treadlightly.org) principles. The PNW4WDA organizes trail runs, trail maintenance in conjunction with DNR, races, play days, fun days, clean-ups, charitable works, legislative issues, etc., in Washington, Oregon, and Idaho.
